

# 6-Month Money-Back Guarantee

*Fly it. Test it. Decide.*

Install your E-PROPS propeller. Fly it in real conditions - across all phases of flight.

If you are not completely satisfied, return it and be refunded.

A unique offer among propeller manufacturers worldwide, in place since 2008.

We offer this guarantee because we're confident you won't need it.

Over 10,000 E-PROPS propellers for aircraft flying worldwide.

## How it works

### 1 - Order & Install

Buy your E-PROPS propeller.  
Install it per the manual on your aircraft and engine.

### 2 - Test for 6 months

Fly it in real conditions. You have 182 days from the shipment date to make up your mind.

### 3 - Satisfied or Refunded

Not satisfied? Return it in its original condition. You will be refunded by E-PROPS.

## Key conditions

- Applies to all aircraft / ultralight propellers - excluding paramotor and drone ranges
- Valid for end users only. Not applicable to resellers or OEMs (remains fully valid for the final end user after resale).
- Must be installed and flown per E-PROPS manuals, on the originally specified aircraft and engine
- Returned in good condition with all original accessories and documentation - no modifications permitted
- Minimum handling fee retained: see [aircraft.e-props.fr/satisfied.php](http://aircraft.e-props.fr/satisfied.php) - plus 0.2% of the invoice per day of possession (max. 182 days)
- Return shipping and insurance costs are borne by the customer
- Limited to one return per customer

## Delivery
